

Specialty Product and Quality Development

Cidermaker

Classification: Salary-Exempt

1/7/2019

Supervisor: Head Cidermaker

Job Overview

2 Towns Vision:

We aspire to create craft cider that is accessible to the people, utilizing the most advanced cider making standards and quality Northwest ingredients without being afraid to do things a little differently. Much like our product 2 Towns as a company is fun, unique, and filled with a youthful energy. Our crew makes what we do possible, and we are committed to fostering an environment of fairness, empowerment, and security.

Job Summary:

The Specialty Product Cidermaker is responsible for producing all specialty ciders at our Eastgate taproom facility. This includes producing existing traditional, heirloom, and cellar series ciders along with bringing all experimental products through trial phase and into market on time and with utmost attention to quality. This includes managing the barrel-aging program, tracking and entering batch and tax relevant data into ERP software (Orchestrated Beer), and helping to coordinate harvest/crush. The Specialty Product Cidermaker will also help conduct research and development towards quality improvement of flagship products. Additionally, the Specialty Product Cidermaker will be in charge of keeping the Eastgate/Taproom cellar and warehouse clean and organized for public display. Lastly, The Specialty Product Cidermaker may represent 2 Towns at public, private, and industry events. Although the Specialty Product Cidermaker will work directly with and report to the Head Cidermaker to accomplish these tasks, the role will be largely independent.

These tasks involve lifting, moving, pulling, pushing and taping 35lb+ cases of bottles and cans, moving 150lb kegs onto and off of pallets, driving a forklift, climbing ladders, working with chemicals, and working in a team environment. The Specialty Product Cidermaker is expected to have a positive

attitude, model exemplary work to other production crew members, and develop an intimate and in-depth knowledge of all aspects of 2 Towns production, practices, and values. The Specialty Product Cidermaker should expect a fast-paced environment and 30-50 hours per week.

Essential Duties and Responsibilities

General Purpose: The Specialty Product Cidermaker manages all aspects of production, packaging and raw material sourcing at the Eastgate taproom facility and conducts R&D trials. Operations range anywhere from producing cider and cleaning equipment, to conducting R&D, to preparing finished product for sales and distribution.

Responsibilities/Duties

I. Produce Specialty Ciders

- Bring new and existing specialty products to market on time at an award-winning and exceptional level of quality.
- Manage the barrel-aging program.
- Run crossflow filters, centrifuges, and pasteurization equipment.
- Manage production records in Orchestrated Beer (“O-Beer”) software.
- Conduct chemical and nutrient inventory.
- Conduct parts inventory for tanks, equipment, etc.
- Compile weekly production reports for the Head Cidermaker.
- Follow proper standard operating procedures (SOPs) and remain competent in all areas of production.
- Manage the 2 Towns small heirloom orchard and help coordinate harvest/crush.

II. Research & Development

- Develop new specialty, seasonal, and limited release ciders for market.
- Create trial batches for management review.
- Develop new strategies to continue to improve product quality.
- Develop an intimate knowledge of 2 Towns production practices, principles, and values.

III. Other Duties

- Troubleshoot new equipment and write SOPs.
- Maintain a positive attitude and help foster a collaborative environment.
- Demonstrate exceptional attention to detail.
- Build shipments on occasion.
- Operate a forklift in a busy environment.
- Stack dry goods and finished inventory with forklift on occasion.
- Load/unload delivery trucks when needed.
- Keep the cellar clean and organized for public display.
- Ensure clean and organized personal and shared workspaces.

- Clean kegs and hoses.
- Participate in monthly staff meetings.
- Adhere to 2 Towns safety policies and procedures at all times.
- Observe and follow all policies described in the Employee Handbook.
- Help staff the annual Harvest Party.
- Other duties as assigned.

Desired Qualifications

- Ability to function in a dynamic, fast-paced work environment
- Personable attitude towards other employees and the public
- Forklift proficiency and certifications
- Independent, self-directed
- Interested in and excited about craft cider
- Looking for a long term job opportunity

Job Requirements

Skills & Abilities:

- Demonstrated leadership experience.
- Excellent communication skills.
- Excellent time management skills.
- Maintain a positive attitude.
- Motivation to make a difference in an entrepreneurial environment.
- Ability to retain confidential company knowledge.
- Ability to work with honesty and integrity.
- Friendly professional attitude and social skills.
- Strong team player qualities.
- Ability to work independently.
- Flexible in both schedule and duties.
- Passionate about craft beverage industry (Cider, Beer, Wine, Mead).
- Willingness and ability to travel.
- Availability to work evenings and weekends on occasion
- Proficiency with Microsoft Office suite of products.
- Proven experience in creating and managing fermented beverages from raw material through packaging.

Required Minimum Qualifications

- 21 years or older.
- Education: High School Diploma or equivalent.
- Minimum of five years experience in the wine, beer, or cider industry and
- Minimum of three years alcohol production experience in a decision making and/or management role (Cellar Manager, Brewer, Assistant Winemaker, Barrel Manager, etc).
